

Model United Nations Club

The Model United Nations (MUN) Club at Azerbaijan University has officially started its activities. The club was established as part of the "AzMUN" program, implemented by the Union of Student and Youth Organizations of Azerbaijan in partnership with the Ministry of Youth and Sports of the Republic of Azerbaijan, the Youth Foundation of the Republic of Azerbaijan, and the UN Office in Azerbaijan.

The club will organize simulations of UN bodies, where students will represent various countries and international organizations, engaging in debates and discussions on a wide range of topics.

An information session was held for university students to introduce the establishment of the MUN Club. During the session, participants were informed about the AzMUN program, the history, purpose, and essence of the MUN movement, as well as the activities of the MUN movement in Azerbaijan. It was noted that the model provides students with the opportunity to gain experience in representing the country on the international stage.
